Cross Sectional Shape:

Plain round

First End Style:

Plain

End Application:

Support box retrofit kit

Second End Relationship With First End:

Identical

Product Name:

Air line assembly

Special Features:

For use on support box assembly retrofit kits 9d01272-101, 9d01272-102, 9d01272-103, 9d01272-104, and 9d01272-105

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A004a0
