End Application:

4220-01-617-9406, compressor, dive type ii

Product Name:

Tube, stainless steel seamless

Special Features:

Unit of issue: 20 feet, dimensions: 12.0mm x 2.0mm x 20 feet.

Material:

Steel stainless

Material Specification:

Astm a213-11a/asme sa213-08/astm a269-10eaw assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A004a0
