Wall Thickness:

0.049 inches

Diameter:

0.50 inches

Product Name:

Tube, metallic stock, id .402, stock lgth. 20ft. Wght. Per ft. .236

Special Features:

Oem cage 89849 is obsolete w/o replacement

Material:

Steel stainless

Material Specification:

Astm a-213 assn standard single material response or asme sa-213 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A004a0
