Metallic Tube - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4710-01-643-7570

Wall Thickness:
0.049 inches
Diameter:
0.50 inches
Product Name:
Tube, metallic stock, id .402, stock lgth. 20ft. Wght. Per ft236
Special Features:
Oem cage 89849 is obsolete w/o replacement
Material:
Steel stainless
Material Specification:
Astm a-213 assn standard single material response or asme sa-213 assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A004a0
