**Wall Thickness:**

0.049 inches

**Diameter:**

0.50 inches

**Product Name:**

Tube, metallic stock, id .402, stock lgth. 20ft. Wght. Per ft. .236

**Special Features:**

Oem cage 89849 is obsolete w/o replacement

**Material:**

Steel stainless

**Material Specification:**

Astm a-213 assn standard single material response or asme sa-213 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A004a0
