First End Style:

Double flare

Second End Style:

Plain

End Application:

5419-01-539-7177; expd tr sys

Second End Relationship With First End:

Not identical

Construction:

Seamless

Product Name:

12" swing nozzle

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A004a0
