Cross Sectional Shape:

Plain round

First End Style:

Plain

Diameter:

6.00 inches

End Application:

Mrap buffalo mk2a2

Second End Relationship With First End:

Identical

Construction:

Seamless

Product Name:

Exhaust straight tubing

Special Features:

Cage 18265 holds design control; length: 10 ft; material: aluminized steel

Material:

Aluminum

Surface Treatment:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A004a0
