Nonmetallic Hose Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4720-00-001-6789

### Layer Composition And Location:

Outer layer braided corrosion resistant steel wire and 1st layer molded polytetrafluoroethylene

### Inside Surface Condition:

Smooth

# **Fsc Application Data:**

Engine aircraft model j85ge21

Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No

#### Fiig:

A542a0
