Wall Thickness:

0.125 inches

Inside Diameter:

2.750 inches

First Arm Length:

1.0625 inches

Second Arm Length:

1.0625 inches

Material:

Rubber synthetic cover

Material Specification:

Sae 1 or 2, class sc assn standard single material response

Style Designator:

Continuous curve

Working Length:

18.000 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A542b0
