**Cross Sectional Shape:**

Round

**Inside Diameter:**

0.312 inches

**Inside Surface Condition:**

Smooth

**Measuring Method And Length:**

500.000 feet excluding end fittings

**Product Name:**

Rubber welding hose en559

**Special Features:**

Sold in 500 ft. Bulk spools; made to european standard en559

**Material:**

Rubber tube

**Media For Which Designed:**

Acetylene single response and gas single response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A541z0
