**End Application:**

Missile, minuteman Igm-30

**Inside Surface Condition:**

Smooth

**Measuring Method And Length:**

25.0 feet

**Product Name:**

Durion heater hose

**Special Features:**

3/4 inch id

**Material:**

Rubber silicone class q tube

**Media For Which Designed:**

Air single response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A541z0
