Wall Thickness:

0.158 inches

Inside Diameter:

0.750 inches

End Application:

6b series 5.9 litre or the 6c series 8.3 litre diesel engine

Product Name:

Hose, plain

Special Features:

Hose standard is sae j20, 20r3, class d2, heater hose

Material:

Rubber synthetic

Style Designator:

Single bend

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542b0
