Cross Sectional Shape:

Round

End Application:

Blast cleaning machine model sbc-7236, p/n 260-1004g

Measuring Method And Length:

10.0 feet

Special Features:

Hose is bi-line, both ends are crimped and coupled

Media For Which Designed:

Air single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
