Cross Sectional Shape:

Round

Inside Diameter:

0.188 inches

Outside Diameter:

0.312 inches

End Application:

Monitor/calibration kit, mk632 mod1, lithium battery

Inside Surface Condition:

Smooth

Product Name:

Replacement tubing

Special Features:

This urethane tubing may come with a lining

Material:

Plastic polyurethane tube

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A54200
