End Application:

Cooling system, multipurpose excavator, solar 220lc-iii, daewood machinery corp

Bend Radius:

80.0 millimeters

Features Provided:

Enlarged ends

First Arm Length:

135.0 millimeters

Second Arm Length:

135.0 millimeters

Special Features:

Designed for water

Style Designator:

Single bend

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542b0
