Inside Length:

4.00 inches both ends

End Application:

Nsn 2350-01-068-4077 - carrier, personnel, full tracked - m-113a1, m-113a2, and m-113a3.

Product Name:

Hose

Special Features:

Nha m14 nbc kit.

Material:

Aluminum both end couplings

Special Test Features:

Parts list: 2 oxygen hose clamps, 1 adapter, inlet, 1 hose, assembly, 2 clamp ratchet per national aircraft standard 397-20, 1 aluminum plug, 1 sealing adhesive

Specification Data:

96906-dod-std-100 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A229a0
