End Application:

Pressur vak11 oxygen inhalator, w/o first stage regulator 803139-01-01, -02, -03, -04, -05 and pressur vak iioxygen inhalator w/first stage regulator 803139-00-01, -02, -03, -04, -05 and pressur vak ii oxygen inhalator, w/microphone assembly, w/o first stage regulator 803140-01-01, -02, -03, -04, -05 and pressur vak ii oxygen inhalator, w/microphone assembly, w/first stage regulator 803140-00-01, -02, -03, -04, -05 and scott oxygen mask w/obd w/pressure reducer less mic 801238-00 and scott oxygen mask w/obd less pressure reducer and mic 801238-01 and scott oxygen mask with obd with pressure reducer and mic 801238-03 and scott oxygen mask w/obd less pressure reducer w/mic 801238-04

Measuring Method And Length:

10.0 feet

Product Name:

Exhaust hose assembly, 10 ft

Media For Which Designed:

Air single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A542a0
