Cross Sectional Shape:

Round

End Application:

Nsn 2320-01-412-0143 truck utility nha military (9ht) v8 6.5 liter diesel

Product Name:

Eng oil pressure indicator switch hose

Special Features:

Externally threaded ends with wrenching facility

Media For Which Designed:

Fuel/oil, hydrocarbon single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
