Nonmetallic Hose Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4720-01-508-1667

Cross Sectional Shape:
Round
End Application:
Elcas caisson clamp assembly
Layer Composition And Location:
1st layer rubber composition
Product Name:
Hydraulic hose assembly
Special Features:
Rubber hose with stainless steel end fittings
Media For Which Designed:
Hydraulic fluid single response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A542a0
