**Inside Diameter:**

0.188 inches

**Overall Length:**

300.000 inches

**End Application:**

Propulsion rmv

**Product Name:**

Parkoil hose guard

**Special Features:**

Resist abrasion, corrosion, water, oil, gasoline, hydraulic fluid, and solvents; black; temperature range zero to 200 degrees f

**Material:**

Plastic polyethylene

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A520e0
