Inside Diameter:

0.188 inches

Overall Length:

300.000 inches

End Application:

Propulsion rmv

Product Name:

Parkoil hose guard

Special Features:

Resist abrasion, corrosion, water, oil, gasoline, hydraulic fluid, and solvents; black; temperature range zero to 200 degrees f

Material:

Plastic polyethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A520e0
