**Inside Diameter:**

1.500 inches

**End Application:**

5410-01-441-8054; chemical biological protection shelt

**Product Name:**

Guard, hose

**Special Features:**

Color is black; temp range 0 degrees f to 200 degrees f

**Material:**

Plastic polyethylene

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A520e0
