Inside Diameter:

1.500 inches

End Application:

5410-01-441-8054; chemical biological protection shelt

Product Name:

Guard, hose

Special Features:

Color is black; temp range 0 degrees f to 200 degrees f

Material:

Plastic polyethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A520e0
