**Cross Sectional Shape:**

Round

**End Application:**

6665-01-506-9002

**Inside Surface Condition:**

Smooth

**Product Name:**

Tube, mask passing

**Special Features:**

Tube includes fitting on each end; removable component is o-ring; use kit, o-ring replacement, p/n 0200297

**Material:**

Plastic tube

**Media For Which Designed:**

Air single response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A54200
