Cross Sectional Shape:

Round

End Application:

6665-01-506-9002

Inside Surface Condition:

Smooth

Product Name:

Tube, mask passing

Special Features:

Tube includes fitting on each end; removable component is o-ring; use kit, o-ring replacement, p/n 0200297

Material:

Plastic tube

Media For Which Designed:

Air single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A54200
