Cross Sectional Shape:

Round

End Application:

6665-01-506-9002

Product Name:

Tubing, fit test interface

Special Features:

Removable components are kit, o-ring replacement, p/n 0200297 and clip, badge, p/n 3500161; tubing is split at both ends and three ends have fittings and the fourth has a badge clip attached

Material:

Plastic tube

Media For Which Designed:

Air single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A54200
