Cross Sectional Shape:

Round

End Application:

3810-01-497-1001

Product Name:

Hyd hose assemblies military application hytrel core tube, low temperature -50 with o-ring face seal fittings

Special Features:

Abrasion resistant, constant pressure, low temperature, -50

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
