Cross Sectional Shape:

Round

End Application:

5420-00-899-2020

Measuring Method And Length:

14.500 inches working

Product Name:

Hose assembly

Special Features:

Id band to be permanently attached; packaging shall be sufficient to maintain cleanliness level during shipping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
