Nonmetallic Hose Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4720-01-545-7732

Cross Sectional Shape:	
Round	
End Application:	
Washing machine	
Layer Composition And Location:	
Outer layer braided corrosion resistant steel wire	
Inside Surface Condition:	
Smooth	
Measuring Method And Length:	
6.000 feet	
Product Name:	
Washer inlet hose 6 foot	
Special Features:	
Braided washer inlet hose, heavy duty high pressure fill hose	
Shelf Life:	
N/a	
Unit Of Measure:	
Demilitarization:	
No	
Fiig:	
A542a0
