Cross Sectional Shape:

Round

End Application:

3830-01-538-1421, winch attachment, single drum, model pa80

Measuring Method And Length:

60.000 inches working

Product Name:

Hose, lubrication

Special Features:

Nha is hydraulic control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
