**Cross Sectional Shape:**

Round

**Inside Diameter:**

0.250 inches

**Outside Diameter:**

0.500 inches

**End Application:**

2340-01-511-7783, assault breacher vehicle

**Inside Surface Condition:**

Smooth

**Measuring Method And Length:**

41.000 inches working

**Product Name:**

Hose

**Special Features:**

Material is commercial hose silicone rubber dacron polyester or nylon reinforced for field service; make from bulk hose, p/n 80-025, cage 07096

**Special Markings:**

Apply tag with following: 19207-12336832-8 mfr using 0.120 inch high characters

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A541z0
