Cross Sectional Shape:

Round

Outside Diameter:

1.500 inches

End Application:

5410-01-441-8054; chemical biological protective shelt

Measuring Method And Length:

4.500 inches

Product Name:

Tubing, drain

Material:

Rubber ethylene-propylene class epm tube

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A54200
