Burst Test Pressure:

1400.0 pounds per square inch single response

Measuring Method And Length:

10.0 feet

Product Name:

Air brake hose

Special Features:

Od 3/8 inch, nylon core with fibrous reinforcement and nylon cover

Material:

Plastic polyamide tube

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541z0
