**Minimum Inside Bending Radius:**

1.125 inches

**Exterior Color:**

Black

**End Application:**

Mrap - common nsn - used on maxxpro cat i and 1 other weapon system

**Measuring Method And Length:**

2.770 inches

**Product Name:**

Tube, water inlet

**Special Features:**

Cleanliness of tupe must conform to emd-991 level c

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A541z0
