Minimum Inside Bending Radius:

1.125 inches

Exterior Color:

Black

End Application:

Mrap - common nsn - used on maxxpro cat i and 1 other weapon system

Measuring Method And Length:

2.770 inches

Product Name:

Tube, water inlet

Special Features:

Cleanliness of tupe must conform to emd-991 level c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541z0
