End Application:

Thruster assembly

Product Name:

Hydraulic hose assembly

Special Features:

Hose has nylon inner tube, polyurethane cover, fiber braid, internal support; fittings b444/b446 inconel, lockwire holes, mates to cpv 849t-6; second end forms u bend 4.95 inch overlap

Media For Which Designed:

Hydraulic fluid single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
