Overall Length:

28.000 inches

Overall Height:

49.000 inches

Overall Width:

29.000 inches

End Application:

Shop equipment

Unpackaged Unit Weight:

825.000 pounds

Voltage In Volts And Current Type:

115.0 ac

Product Name:

Crimped hose assembly machine

Special Features:

Front loading, key pad control, and worklamp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
