End Application:

NAVY-MR-APL-IGHT

Features Provided:

Flexible

Inside Surface Condition:

Smooth

Product Name:

Split wire loom

Special Features:

Roll of tubing has split seam feature allowing for easy wire insertion and repair; flame and heat retardant; protects wire from abrasion, grease, oil, and extreme weather conditions; o.D. Is 0.500 inches, length 100 foot

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A54200
