End Application:

C-17 globemaster

Component Quantity:

2

Component Document Origin:

Industrial

Document Source:

88277

Document Type:

Support equipment requirement sheet

Component Document Page Number:

3

Document Identification:

Serd450430

Special Features:

Synthetic neoprene hoses used with the hydraulic test stand for testing main landing gear on the jet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
