Cross Sectional Shape:

Round

Outside Diameter:

0.750 inches

End Application:

2320-01-206-4090; truck, cargo

End Connection Design:

Straight all ends

Measuring Method And Length:

125.000 inches

Product Name:

Hose assembly, hydraulic

Special Features:

Nha 5-ton front winch accessory kit

Media For Which Designed:

Hydraulic fluid single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A542a0
