Cross Sectional Shape:

Round

End Application:

3805-01-573-0677; excavator, multipurpose, end crawler mounted

Product Name:

Hydraulic hose-fabricate

Special Features:

Nha pilot lines (control valve top to pilot signal manifold)

Media For Which Designed:

Hydraulic fluid single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A542a0
