Cross Sectional Shape:

Round

End Application:

3805-01-573-0677; excavator, multipurpose, end crawler mounted

Product Name:

Hydraulic hose

Special Features:

Nha swing motor lines from control valve

Media For Which Designed:

Hydraulic fluid single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
