End Application:

2355-01-539-3589

Product Name:

Tubing

Special Features:

Continuous operating temperature -55 to pos 110 degrees c; inside diameter 0.748min as supplied, 0.236 recovered after heating; standard packaging 4-foot lengths; low temperature flexibility type 4 hrs at -55 degrees c/67 degrees f; heat resistance 168 hrs at 150 degrees c/302 dwg f; tensile strength 1000 min psi per astm d 2671

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A54200
