Cross Sectional Shape:

Round

End Application:

Skidsteer loader sl 6640 sxt t-bar

Measuring Method And Length:

63.000 inches

Product Name:

Cable/auxiliary

Special Features:

Nha auxiliary hydraulics standard and high-flow t-bar controls

Media For Which Designed:

Hydraulic fluid single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A542a0
