Nonmetallic Hose Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4720-01-590-2359

Cross Sectional Shape:
Round
Outside Diameter:
0.500 inches
Layer Composition And Location:
Outer layer molded rubber
Measuring Method And Length:
24.375 inches working
Product Name:
Hose assembly, rubber, lightweight, medium pressure, field attachable end fittingsd, flare to flare
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A542a0
