**Cross Sectional Shape:**

Round

**Outside Diameter:**

0.500 inches

**Layer Composition And Location:**

Outer layer molded rubber

**Measuring Method And Length:**

24.375 inches working

**Product Name:**

Hose assembly, rubber, lightweight, medium pressure, field attachable end fittingsd, flare to flare

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A542a0
