Cross Sectional Shape:

Round

Inside Diameter:

0.750 inches

Exterior Color:

Black

End Application:

120 steering column power steering reservoir

Layer Composition And Location:

2nd layer braided steel wire

Product Name:

Hose, 3/4 id, braid black

Material:

Rubber

Media For Which Designed:

Hydraulic fluid single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541z0
