**End Fitting Component And Material:**

Collar aluminum alloy all ends

**Fitting Component And Surface Treatment:**

Collar anodize all ends

**Measuring Method And Length:**

240.000 inches

**Product Name:**

Hose assembly

**Media For Which Designed:**

Fuel single response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A542a0
