Cross Sectional Shape:

Round

Inside Diameter:

0.030 inches

Exterior Color:

Green

End Application:

Ics-1500 ion chromatography system

Product Name:

Tubing assembly

Special Features:

Used to connect5 from injector valve to waste; material is a polyetheretherketone plastic

Material:

Plastic body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A54200
