**Cross Sectional Shape:**

Round

**End Application:**

3805-01-573-0677; excavator, multipurpose, crawler mounted

**End Connection Design:**

Straight all ends

**Measuring Method And Length:**

84.000 inches working

**Product Name:**

Hose assembly, tank

**Special Features:**

First end external thread; second end internal thread

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A542a0
